

MEMBERS' GALLERY INFORMATION

About the PRAL Members' Gallery pages:

The Park Ridge Art League now offers members the opportunity to have their own page in our Members' Gallery on our website. You can show up to four of your items along with your contact information and a brief statement about your work. This is a free benefit to all artist members.

For examples of member pages (from another art league), go to <http://www.westsuburbanartistsguild.org/MemberGallery.htm> and click on a photo to display that member's work. Use these member web pages as a guide for creating your page. You will have a representative photo on the main gallery page as well as a full page where up to four of your works are shown.

To have photos of your work on the Members' Gallery page of the PRAL website, you need to:

1. Create up to 4 digital files of your work. Each piece should be in a separate file.

File specifications: Images should be no larger than 250 pixels by 250 pixels. If this is a problem, you can send an image no larger than 400x400 pixels and it will be adjusted as necessary (but not cropped). Images should be set to 72 dpi. Files should be saved in .jpg or .psd format.

IMPORTANT: If creating digital files is a problem for you or if you have questions, feel free to contact Mary King by email: webmaster@ParkRidgeArtLeague.org or call 847.705.8476.
