

Park Ridge Art League

The Park Ridge Art League (PRAL) was organized in 1943 to encourage artists in the expression of art and to develop a greater knowledge and appreciation of art in the community.

Membership is open to all, whether you are an amateur, a professional, or a patron.

Demonstrations by artists from the Chicago area are held on the third Friday of most months from September through May.

See the website (www.ParkRidgeArtLeague.org) for information about programs, locations, and dates.

We're in the community:

- Everyone is welcome at our programs and demos.
- Annual art fair: Father's Day weekend at Hodges Park.
- Annual scholarships to graduating high school students from Maine East, South, and West.
